Empty weight: 400 kg

Sophia

The Sophia is a very spacious spa with different types of sitting positions equipped with the most extensive massage options. The tub and bench sitting positions are spacious and vary in depth, so you can sit next to or across from one another. The Sophia is equipped with a child seat and a cool-down seat with a mild massage while you sit partially above water. The impact jet, in its largest format, provides an intense massage for the lower back or legs. The sitting positions have a central foot and calf massage. Plenty of space and options, providing luxury for the whole family.
